

To prospective clients of Adopt Abroad, Inc.:

We adopted our daughter from Armenia through Adopt Abroad, Inc. The staff was excellent in handling all affairs throughout the process. We were very impressed with the agency's organization, familiarity of details, and eagerness to assist in any way.

Dr. Carol Albers stays up-to-date with new data concerning foreign adoptions in all countries. She regularly visits facilitators and orphanages in countries where Adopt Abroad, Inc. offers programs. Her extensive training and knowledge are impressionable, making the adoption process one of ease.

The staff is well trained and helpful. If they don't know the answer to a question, they find out and get back to you in a timely manner. We never waited long to receive an answer to a question or concern.

We are pleased with our experience with Adopt Abroad, Inc. and would highly recommend them to anyone seeking an agency to assist with an adoption. Our daughter is a wonderful addition to our family; we are truly blessed. We are grateful to Dr. Albers and her staff in making our adoption possible.

We would be happy to answer any specific questions you have about Adopt Abroad, Inc. or the adoption process. You may contact us through Dr. Albers. We wish you the best as you begin your journey to compose your family.

Sincerely,
Doug and Michelle Lakin
